SATECHI

Satechi 100W GaN Dual USB-C and USB-A PD Travel Charger - Space gray

Revolutionize how you power up your devices with Satechi's 100W GaN Dual USB-C and USB-A PD Travel Charger. Engineered with advanced Gallium nitride (GaN) technology, this charger offers enhanced efficiency and speed in a compact, sleek design. Its intelligent power output adjusts to fit your device’s requirements, making it an ideal solution wherever you journey.

- Equipped with GaN technology for efficient charging
- Dual USB-C PD ports plus an additional USB-A port
- Intelligent power output adjustment
- Over-temperature, current, voltage, load, and short-circuit protection
- Compact, sleek design in space grey

Equipped with GaN technology for efficient charging
Adopt the future of charging with GaN technology that is purposefully designed to replace conventional silicon materials. Benefit from an optimized charging experience that is noticeably faster and more efficient than traditional stock counterparts.

Dual USB-C PD ports plus an additional USB-A port
Satechi’s travel charger features dual USB-C PD ports, allowing swift power-up of up to two Type-C devices simultaneously. Additionally, an extra USB-A port consolidates multiple power adapters into one, enabling charge of up to three USB devices concurrently.

Intelligent power output adjustment
This 100W GaN charger boasts a flexible charging output that intelligently detects and adjusts its ports' power output to accommodate different device requirements. Whether you connect a single device or several, enjoy a tailored charging combination that efficiently powers all your devices.

Over-temperature, current, voltage, load, and short-circuit protection
The GaN charger offers peace of mind and has comprehensive protective features, safeguarding against over-temperature, current surge, voltage instability, overload, and short circuits. Safely power up your devices without worry.

Compact, sleek design in space grey
Experience the blend of functionality and aesthetics with the space grey design of this 100W GaN charger. Its compact design, attributed to the GaN technology, is noticeably smaller than conventional chargers, making it the perfect travel companion.

Package includes

- 1 x Satechi 100W GaN Dual USB-C and USB-A PD Travel Charger - Space Grey

Product specifications

- Colour: Space Grey
- Connector type: Wall Charger with EU-style plug
- Dimensions & Weight: 3.75 x 2.5 x 1.25 inches, 11.2 oz
- Cable length: 1.2 m
- Speed: 1 x USB-C PD connected - up to 100W, 2 x USB-C PD connected - up to 60W/30W, 1 x USB-C PD + 1 x USB-A connected - up to 100W/12W, 2 x USB-C PD + 1 x USB-A connected - up to 60W/30W/12W.
- Compatibility: MacBook Pro: M2/13”/14”/16”(2022-23), M1/13”(2020), 13”(2016-20), Retina 13”(2012-15), 15”(2016-19).
