SATECHI

Satechi Car Charger with PD 1xUSB-C and 1xUSB-A - Space gray

Experience impeccable charging on the go with the Satechi Car Charger featuring PD 1xUSB-C and 1xUSB-A with an impressive 72-watt capacity. This device, available in sleek Space Gray, utilizes advanced Power Delivery technology to fast charge compatible laptops, tablets, and smartphones, ensuring your journey never disrupts your connectivity.

- Powerful on-the-go charging
- Simultaneously charge two devices
- Worry-free charging
- Sleek and ultra-compact design
- Connector type: 12-24V

Powerful On-The-Go Charging
The Satechi Car Charger delivers a powerful charging performance without compromising on convenience. Its USB-C Power Delivery mechanism ensures fast charging compatible laptops, tablets, and smartphones up to 60W.

Simultaneously Charge Two Devices
This Car Charger also includes an additional USB-A port for convenience, allowing you to charge two devices simultaneously. Ideal for simultaneous charging of your smartphone and tablet, with a total capacity of up to 72W.

Worry-Free Charging
Safety is a paramount feature of the Satechi Car Charger. It is designed with in-built short circuit and over-temperature protection, ensuring a safe charging experience for your connected devices, wherever your journey takes you.

Sleek & Ultra-Compact
Elegant and practical, this charger sports an ultra-compact design that easily fits into your cigarette port. Its modern brushed aluminium finish complements nearly any interior, adding a touch of style to your vehicle.

Connector Type
Unique to the Satechi Car Charger is the 12-24V connector type, providing a broad compatibility range to cater to diverse charging needs.

Package Includes
