Designed specifically for the new 2018 iPad Pro

The Satechi Type-C Smart Hub offers optimised compatibility with your new iPad Pro. Boasting 4K HDMI, USB-C PD 3.0 charging, USB 3.0 and a 3.5mm headphone jack, this device ensures an uncompromisingly efficient and smooth user experience.

Offers Stunning 4K Display

Become a presentation pro or enjoy your favourite shows on the go with the hub's brilliant 4K HDMI display. With a stunning 30Hz resolution, you can look forward to seamless video streaming and conference calls.

Upgraded with USB-C PD 3.0 Charging

Our hub features a USB-C Power Delivery 3.0, which keeps your iPad Pro going even while running high-performance applications. It can also work as a power bank for your other USB-C devices away from an outlet.

Restores Your Peripherals

With the Satechi Type-C Mobile Pro Hub, your 3.5mm headphone jack and an extra USB 3.0 port are reinstated, allowing you to connect a USB keyboard. It has a wholly user-oriented design that makes it easier to connect your peripherals without needing additional drivers.

Compact and Lightweight for Effortless Portability

This smart hub is surprisingly compact and lightweight, fitting perfectly in your bag without adding bulk. It's the perfect companion for those always on the move.
