Premium Leather Craftsmanship

The Twelve South SurfacePad is crafted with top-quality leather that not only adds a touch of sophistication to your iPad mini but also ensures durable and reliable protection. The case envelops both sides of your iPad, safeguarding it without altering its beautiful profile. The soft, lined interior front cover offers extra screen protection.

Hands-Free Functionality

Designed with your convenience in mind, this case acts as a stand with multiple viewing angles and a wedge for writing, enabling hands-free use of your iPad. Whether you're watching movies or typing up a document, the SurfacePad provides stable support in style.

Sleek, Lightweight Design

SurfacePad preserves the aesthetic elegance of your iPad mini with its clean, modern design. Its thin profile adheres to the back of your device, maintaining visibility of the iPad's characteristic beveled edges and adding an extra layer of slick elegance without bulk.

Easy On and Off Without Residue

The unique design of the SurfacePad ensures it can be easily attached and removed without leaving sticky residues or marks. This flexibility means you can easily switch between using it in your daily life and protecting your iPad during adventurous outings without damaging the pristine surface.

Available in Stylish Colors

Express your personality with the SurfacePad, available in the timeless shades of Camel, Jet Black, and Red. Choose the color that best suits your style and let your iPad reflect your personal taste as well as your high standards of quality and design.
