

UAG Plyo for iPad 10.2" (Bulk) - Black/Ice

The Urban Armor Gear Plyo case is designed to protect the 10.2-inch iPad without adding unnecessary bulk. Built for everyday mobility, shared workspaces, education, and professional environments, it combines impact-resistant construction with a practical smart cover, integrated stylus storage, and disinfectant-tested materials.

- Smart cover with built-in stand
- Drop-tested impact protection
- Integrated stylus holder
- Tested for medical-grade disinfectants
- Lightweight design for daily use

Smart cover with built-in stand

The smart cover helps protect the iPad screen when the device is not in use. It also folds into a convenient stand, making it easier to type, view content, or work hands-free while on the move.

Drop-tested impact protection

The Plyo case is tested to MIL-STD 810G standards for impact resistance. Its protective construction is made to help guard the iPad against everyday drops, bumps, and shocks.

Integrated stylus holder

A built-in stylus holder keeps an Apple Pencil or Logitech Crayon securely stored and within reach. This makes the case practical for note-taking, drawing, teaching, signing documents, and general tablet use.

Tested for medical-grade disinfectants

The case has been tested for 168 hours with medical-grade disinfectants without compromising case integrity. Tested disinfectants include Cavicide, PDI Sani-Cloth AF3, PDI Sani-Cloth with bleach, PDI Super Sani-Cloth, 70% isopropyl alcohol solution, and 0.5% activated hydrogen peroxide.

Lightweight design for daily use

With a slim and lightweight build, the Plyo case is easy to carry between rooms, offices, classrooms, or work sites. It provides reliable protection while keeping the iPad comfortable to handle throughout the day.
