Usbepower DUO cable - White

Keep your everyday devices connected with Usbepower DUO. With Lightning and Micro-USB connections in one cable, you can charge and sync compatible Apple and Android devices without carrying separate cables. Designed to go wherever your day takes you, DUO is a practical companion for home, work and travel.

- Two connections in one cable
- Charge and sync your devices
- Compatible with Apple and Micro-USB devices
- Designed for everyday travel
- A distinctive rolled-up design

Two connections in one cable
Switch between compatible devices with a dual-head cable that combines Lightning and Micro-USB. DUO brings two widely used connections together, giving you one cable for different devices.

Charge and sync your devices
Use DUO to recharge your compatible devices and sync your data. Whether you are connecting at home or taking your cable to work, it covers both everyday tasks.

Compatible with Apple and Micro-USB devices
Connect supported iPhone, iPad and iPod models, or use the Micro-USB connection for compatible Android devices, speakers and headphones. DUO is a convenient choice when your everyday devices use different connectors.

Designed for everyday travel
Bring DUO along for your daily commute or your next trip. Its two-in-one design reduces the need to pack separate Lightning and Micro-USB cables.

A distinctive rolled-up design
When rolled up, DUO takes on a shape reminiscent of childhood sweets. It is a playful design detail that gives this everyday accessory a recognisable look.
