myFirst Camera Insta Thermal Paper - White

Give your little photographer the power to print their favorite moments on the spot. myFirst Camera Insta Thermal Paper delivers clear, high-contrast black prints without ink, designed to fit perfectly and feed smoothly for fun, mess-free creativity anywhere.

- Premium thermal paper for clear, sharp prints
- Smooth surface for reliable, jam-free feeding
- Perfect fit for myFirst Camera Insta at 57 mm width
- Long rolls at 6.5 m each, up to 65 prints per roll
- Free-end design for fast, easy loading

Premium thermal paper for clear, sharp prints
Each roll is engineered for high image density, producing crisp, dark prints with excellent contrast so every doodle, note, and snapshot looks bold and readable. Kids get instant results they can be proud of, encouraging creativity and storytelling on the go.

Smooth surface for reliable, jam-free feeding
The paper's smooth finish ensures consistent contact with the printer head, helping reduce misfeeds and streaks. That means fewer interruptions and more time creating, sticking, and sharing.

Perfect fit for myFirst Camera Insta at 57 mm width
Sized precisely at 57 mm wide, these rolls are made to fit the myFirst Camera Insta. The correct dimensions help ensure proper alignment for cleaner edges and dependable print quality every time.

Long rolls at 6.5 m each, up to 65 prints per roll
Each roll provides up to 65 prints, giving plenty of room for adventures, crafts, and school projects. With three rolls in the pack, kids can keep capturing and printing without running out too soon.

Free-end design for fast, easy loading
A free-end roll makes reloading simple and frustration-free. Just pop in a new roll and pull the end into place so kids can get back to creating in seconds.

Package includes

- 3 rolls of thermal paper
