Pen on Paper Experience

Experience the nostalgic feeling of writing with a pen on paper with myFirst Sketch 3. This tablet offers an authentic writing experience that allows young artists to freely indulge in all their creative endeavors. The olive-hued liquid crystal display lets kids effortlessly explore various styles, making their creations come alive with luminous, high-contrast handwriting.

Zero-Delay Writing Experience

Let your child's creative mind flourish without interruption. The myFirst Sketch 3 provides a zero-delay writing experience, ensuring that every stroke is captured immediately for genuine expression. This seamless experience encourages continuous creativity and demonstrates appreciation for your child's artistic efforts.

One-Key Erase Function

Effortlessly reset your canvas with the one-key erase feature. This intuitive function allows for easy corrections, making it simple for young artists to start fresh whenever they need to. The brief push of a button resets the display, making creativity limitless and hassle-free.

Powerful Battery Life

myFirst Sketch 3 ensures long-lasting use with its powerful battery, boasting up to one year of life with low power usage. No constant charging means more uninterrupted time for your child to explore, learn, and create.

Convenient Lock Switch

With the convenient lock switch, accidental deletions become a worry of the past. This dip switch function protects your child's creations, ensuring that each stroke is preserved until they're ready to start anew. It provides peace of mind, allowing your child to focus solely on their art.
