Wireless In-Flight Entertainment

Upgrade your travel experience with AirFly Pro 2 Deluxe. Plug it into any airplane's headphone jack, pair your Bluetooth headphones, and enjoy wire-free, high-quality sound. No more struggling with flimsy airline earbuds—just seamless, crystal-clear audio.

Effortless Bluetooth Pairing

With dedicated pairing buttons and intuitive physical controls, connecting your headphones is faster than ever. Adjust volume, play/pause, or easily switch between devices—no complicated setups are required.

Share Audio with a Friend

Turn AirFly Pro 2 Deluxe into a wireless headphone splitter. Connect two sets of Bluetooth headphones and enjoy movies, podcasts, or games together—perfect for travel buddies or shared workouts.

Stream Phone Audio to Car Stereos

Transform your car's AUX input into a wireless receiver. Stream music, GPS directions, or calls from your phone directly to your car stereo—no wires, no hassle.

Long-Lasting Battery

With 25+ hours of battery life, AirFly Pro 2 Deluxe keeps up with your longest flights and daily routines. Recharge quickly via USB-C, so you're always ready for your next adventure.
