Tailored twill cover protects your Apple AirPods Charging Case
Made from durable twill, AirSnap is tailored to fit your Apple AirPods Charging Case. It helps protect against scratches, scuffs and everyday wear in bags or pockets without adding unnecessary bulk.

Integrated swivel clip keeps your AirPods within easy reach
Use the built-in swivel clip to attach AirSnap to a backpack, handbag, belt loop or key ring. It keeps your AirPods close at hand and easier to find.

Secure snap closure helps keep your AirPods safely inside
A strong metal snap fastens securely over your AirPods Charging Case, helping to prevent accidental opening on the move. It also allows quick, one-handed access when you are ready to listen.

Bottom cutout allows charging without removing the cover
A precisely positioned bottom cutout provides access to the charging port. Simply plug in your cable to charge your AirPods while the charging case stays protected inside AirSnap.

Durable twill finish complements your everyday accessories
The twill fabric adds subtle texture and stands up to daily use. Its understated finish pairs equally well with a work bag or a casual backpack.
