

The Twelve South HiRise for Apple Watch is not just an ordinary stand; it is a unique and stylish frame designed for your Apple Watch. With this elegant piece, charge your watch securely at night while keeping it accessible. The frame caters for any bracelet type, from closed metal to dented ones, ensuring absolute protection for your Apple Watch.

- Stable and Durable Construction
- Quick Charging Disk Installation and Removal
- Appropriate for all Bracelet Types
- Enhanced Protection
- Sleek and Stylish Design

Stable and Durable Construction

Crafted for your convenience, the stable and durable construction of the HiRise makes it easy to hit that 'Snooze' button in the morning without worrying about tampering with your precious watch.

Quick Charging Disk Installation and Removal

HiRise understands your travel needs. The stand's design allows for the charging disk to be inserted or removed in seconds, making it travel-ready at any moment.

Appropriate for all Bracelet Types

Whether you have a closed metal bracelet or a dented bracelet, the HiRise is suitable for all. Its well-thought-out design ensures it adapts to your bracelet type without causing any harm or discomfort.

Enhanced Protection

Equipped with considerate touches of silicone and leather plating, the Twelve South HiRise safeguards your watch. Sleep easy, knowing your watch is protected, no matter the bracelet.

Sleek and Stylish Design

Who said practicality couldn't marry elegance? The HiRise presents a modern, trendy design, perfect to enhance your nightstand's aesthetics while still serving a functional purpose.
