Designed for Samsung S26 Edge

Made specifically for the Samsung S26 Edge, this case is shaped to follow the phone's design closely. It provides a secure fit while keeping buttons, ports and camera areas easy to access for everyday use.

Integrated magnetic support

The built-in magnet makes the case suitable for use with compatible magnetic accessories. It helps create a more convenient experience when attaching the phone to supported chargers, mounts and other magnetic solutions.

Durable everyday protection

Urban Armor Gear is known for protective cases designed for active daily use. This case helps protect the phone against common bumps, scratches and everyday wear while maintaining a refined and practical form.

Dot texture for improved grip

The Dot design adds a tactile surface that feels secure in the hand. It helps reduce slipperiness while giving the case a distinctive look that remains understated and easy to use every day.

Slim black design

The black finish gives the case a clean and versatile appearance that suits both work and personal use. Its slim profile helps preserve the feel of the Samsung S26 Edge while adding reliable protection.
