MagSafe Compatible
The UAG Essential Armor case is designed to work flawlessly with MagSafe technology, ensuring secure attachment for MagSafe accessories. Whether you're charging, mounting, or attaching other magnetic accessories, this case perfectly aligns with your iPhone 15's MagSafe system while maintaining its slim profile.

Military-Grade Protection in a Sleek Design
Durability meets elegance with our military-grade drop protection, achieved without compromising on style. The Essential Armor case safeguards your iPhone from accidental drops and impacts up to 4.6 meters, keeping it safe while maintaining a sophisticated black aesthetic that complements your device.

Feather-Light Yet Sturdy Build
Though the case offers exceptional protection, it remains lightweight, ensuring your iPhone stays portable and easy to handle. The feather-light construction allows you to enjoy the sturdy build without adding unnecessary bulk to your device.

Precise Cutouts for Full Accessibility
Accessing your iPhone 15's features has never been easier. Carefully designed cutouts provide seamless access to all buttons, ports, and speakers while maintaining a perfect fit. This case ensures that all functionalities of your iPhone remain uninterrupted.

Non-Slip Grip for Extra Security
The UAG Essential Armor case delivers more than just protection; it enhances your grip as well. The carefully constructed non-slip design helps prevent accidental drops during everyday use, giving you peace of mind whether you're on the go or relaxing at home.
