UAG Glass Shield for iPhone 16e - Crystal clear

Introducing the Urban Armor Gear Glass Shield for iPhone 16e, designed to deliver unmatched protection for your iPhone display while ensuring a crystal-clear viewing experience and exceptional touch sensitivity. This state-of-the-art screen protector combines durability with meticulous design, safeguarding your device from scratches, smudges, and everyday impacts.

- Durable Protection
- Anti-Fingerprint Coating
- Precision Touch and Fit
- Reinforced Edges
- Installation Kit Included

Durable Protection
Urban Armor Gear Glass Shield provides robust protection against daily hazards. Manufactured with double-strengthened tempered glass, this protector withstands impacts effortlessly. It has passed rigorous steel ball drop tests from heights of up to 1.8 meters, ensuring your screen remains scratch-free and secure for long-lasting durability.

Anti-Fingerprint Coating
Enjoy a smudge-free experience with the specially designed oleophobic coating. This layer effectively repels natural oils from your skin, keeping fingerprints and smudges away. Your screen maintains its crystal-clear clarity, offering an optimal HD viewing experience throughout each day.

Precision Touch and Fit
Experience seamless touch accuracy with the UAG Glass Shield, which delivers impeccable responsiveness. Each tap and swipe is effortless, as the protector is perfectly aligned with UAG cases, allowing it to snugly fit your device while maintaining its sleek design.

Reinforced Edges
Our reinforced edges offer added strength to your screen, significantly reducing the risk of chips and cracks in vulnerable areas. This design not only provides initial protection but ensures that potential cracks won't spread, keeping your device looking pristine for longer.

Installation Kit Included
The comprehensive installation kit simplifies your application process. With the included applicator and cleaning tools, you can achieve a flawless, bubble-free fit with every installation, ensuring your device remains protected seamlessly.
