UAG Glass Shield for Microsoft Surface Pro 1st Edition 12"

Urban Armor Gear Glass Shield for Microsoft Surface Pro 1st Edition 12 inch provides strong, clear screen protection for everyday work and travel. Made from double strengthened tempered glass, it helps protect against scratches, fingerprints and impact while preserving touch accuracy, screen clarity and Surface Slim Pen compatibility.

- Double strengthened tempered glass
- Advanced fingerprint resistant coating
- Precision touch response
- Ultra clear high definition viewing
- Compatible with Surface Slim Pen

Double strengthened tempered glass
The screen protector is made from high strength tempered glass designed to add a durable protective layer to your Microsoft Surface Pro. It is built to withstand steel ball drops from up to 1.8 m, helping protect the display from everyday impact and surface damage.

Advanced fingerprint resistant coating
An advanced oleophobic coating helps reduce fingerprints, smudges and marks on the screen. This keeps the display cleaner for longer and makes it easier to wipe away residue during daily use.

Precision touch response
The glass is engineered to maintain accurate touch control, so you can tap, swipe, scroll and work without unnecessary resistance. It protects the screen while preserving the responsive feel of the Surface Pro display.

Ultra clear high definition viewing
The ultra clear glass helps maintain the sharpness, colour and detail of the Surface Pro screen. It provides protection without compromising visibility, making it suitable for work, streaming, browsing and creative use.

Compatible with Surface Slim Pen
The screen protector is designed to work with Surface Slim Pen, allowing you to write, sketch and navigate naturally. It also pairs well with UAG cases for a more complete device protection setup.

Product specifications:
