Premium double-strengthened tempered glass

Crafted with double-strengthened tempered glass, the UAG Glass Shield offers exceptional durability and protection for your Pixel 9/9Pro. It stands up to hard use and harsh conditions, ensuring your screen remains unblemished over time.

Anti-fingerprint oleophobic coating

Enjoy a crystal-clear viewing experience with the oleophobic coating that repels natural skin oils. This feature is designed to limit fingerprints and smudge build-up, preserving image resolution and maintaining a clean screen.

Precision touch sensitivity

The UAG Glass Shield is designed to deliver highly responsive precision touch sensitivity. This ensures that every interaction with your device is smooth and accurate, providing you with a seamless user experience.

Perfect fit with case compatibility

Our screen protector offers a precise fit that's compatible with UAG cases, offering robust protection without compromising on style or functionality. You get the peace of mind with a perfect fit, whether you're using an existing case or considering new protection.

Easy installation with included applicator kit

Installation is a breeze with our thoughtfully included applicator and cleaning kit. Say goodbye to bubbles or misalignments, ensuring a flawless application every time. For optimal fingerprint sensor performance, we recommend re-registering your fingerprint post-installation.
