Adjustable stand with folio cover
The Urban Armor Gear iPad Metropolis SE features an adjustable stand integrated into the folio cover. This design allows you to quickly transform your iPad into a laptop, providing you with the flexibility to work or stream videos hands-free with ease.

Apple Pencil holder and compatibility with Apple Pencil Pairing/Charging
Designed with Apple users in mind, this case includes a designated holder for the Apple Pencil, ensuring you never misplace it. Additionally, it's fully compatible with Apple Pencil pairing and charging, integrating seamlessly into your workflow.

Medical-grade wipe tested
Sanitation is critical, especially in medical environments. The Wilma Metropolis SE case is rigorously tested and can be sanitized repeatedly with medical-grade wipes and disinfectants without compromising its structural integrity, making it ideal for environments that require stringent hygiene standards.

Soft touch and smooth PU exterior
Constructed with a soft touch and smooth PU exterior, the Wilma Metropolis SE case is not only stylish but also practical. The durable material can withstand the wear and tear of daily usage, ensuring that your case looks good and functions well over time.
