

UAG Monarch Pro for Samsung S25+ - Black

Urban Armor Gear presents the UAG Monarch Pro for Samsung S25+ - Carbon Fiber, the ultimate all-terrain protective case featuring a built-in magnet module. Engineered with premium materials and multi-layer construction, this case offers unrivaled protection and seamless wireless charging compatibility.

- Built-in magnetic module for perfect alignment
- Multiple layers of protection
- Tactical grip and oversized buttons
- 7,6m drop protection
- Limited Lifetime Warranty

Built-in Magnetic Module

The UAG Monarch Pro comes equipped with a strong built-in magnet module that aligns perfectly with your device. This feature ensures seamless attachment and faster wireless charging, combining advanced protection with effortless functionality.

Multiple Layers of Protection

Boasting an impressive multi-layer construction, the Monarch Pro includes a shock-resistant core, a distinctive signature armor frame layered with premium carbon fiber, a polycarbonate shear plate, and an impact-resistant rubber surround. This combination of materials provides unparalleled protection for your Samsung S25+.

Enhanced Grip and Accessibility

Experience superior handling with the case's traction grip design. Oversized tactile buttons ensure easy operation, while integrated lanyard anchor points offer additional carrying options. The Monarch Pro is designed to enhance your device's usability without compromising on protection.

Exceptional Drop Protection

With its robust construction, the UAG Monarch Pro offers an impressive 7.6 meters drop protection. This level of security ensures your Samsung S25+ remains safe from accidental drops and impacts, giving you peace of mind in any environment.

Limited Lifetime Warranty

Urban Armor Gear stands behind the quality and durability of the Monarch Pro case. Each purchase is backed by a limited lifetime warranty, demonstrating our commitment to customer satisfaction and product excellence.
