

UAG Monarch Pro Titanium Case for Apple iPhone 17 Pro

Introducing the Urban Armor Gear Monarch Pro Titanium for the Apple iPhone 17 Pro - the ultimate fusion of military-grade protection and cutting-edge design. This premium case redefines smartphone security, offering unrivaled durability without compromising on style or functionality.

- Titanium-infused protection
- Five-layer construction
- High-precision engineering
- Compatible with wireless charging
- Tactile button covers

Titanium-infused protection

Experience the best of smartphone defense with our titanium-infused frame. This aerospace-grade metal not only adds a touch of luxury but also provides an exceptional strength-to-weight ratio, ensuring your iPhone 17 Pro remains protected without unnecessary bulk.

Five-layer construction

Monarch Pro Titanium features a sophisticated five-layer design, each carefully crafted to absorb and disperse shock. From the soft, impact-resistant core to the rugged outer cover, your device is protected from drops, bumps and everyday wear and tear.

Engineering with precision

Every curve and contour of the Monarch Pro Titanium is precisely engineered to fit your iPhone 17 Pro perfectly. You'll have easy access to all ports, buttons and features while maintaining a slim profile that complements the sleek design of your device.

Compatible with wireless charging

Stay charged without compromising on protection. Monarch Pro Titanium is optimized for wireless charging, allowing you to take full advantage of your iPhone 17 Pro without removing the case.

Tactile button covers

Experience responsive control with our precisely designed button covers. Each button is engineered to provide a satisfying click and maintain the tactile feedback you expect from your iPhone 17 Pro, ensuring seamless use of your device.
