- Titanium-infused protection
- Five-layer construction
- High-precision engineering
- Compatible with wireless charging
- Tactile button covers

**Titanium-infused protection**
Experience the best of smartphone defense with our titanium-infused frame. This aerospace-grade metal not only adds a touch of luxury but also provides an exceptional strength-to-weight ratio, ensuring your iPhone 18 Pro Max / 17 Pro Max remains protected without unnecessary bulk.

**Five-layer construction**
Monarch Pro Titanium features a sophisticated five-layer design, each carefully crafted to absorb and disperse shock. From the soft, impact-resistant core to the rugged outer cover, your device is protected from drops, bumps and everyday wear and tear.

**Engineering with precision**
Every curve and contour of the Monarch Pro Titanium is precisely engineered to fit your iPhone 18 Pro Max / 17 Pro Max perfectly. You'll enjoy easy access to all ports, buttons and features while maintaining a slim profile that complements the sleek design of your device.

**Compatible with wireless charging**
Stay charged without compromising on protection. Monarch Pro Titanium is optimized for wireless charging, allowing you to take full advantage of your iPhone 18 Pro Max / 17 Pro Max without removing the case.

**Tactile button covers**
Experience responsive control with our precisely designed button covers. Each button is engineered to provide a satisfying click and maintain the tactile feedback you expect from your iPhone 18 Pro Max / 17 Pro Max, ensuring seamless use of your device.
