Titanium-Infused Protection

Experience the pinnacle of smartphone defense with our titanium-infused frame. This aerospace-grade metal not only adds a touch of luxury but also provides exceptional strength-to-weight ratio, ensuring your iPhone 16e remains protected without unnecessary bulk.

Five-Layer Construction

The Monarch Pro Titanium boasts a sophisticated five-layer design, each meticulously crafted to absorb and disperse impact. From the soft impact-resistant core to the rugged exterior armor, your device is shielded from drops, shocks, and everyday wear and tear.

Precision Engineering

Every curve and contour of the Monarch Pro Titanium is precisely engineered to fit your iPhone 16e perfectly. Enjoy easy access to all ports, buttons, and features while maintaining a slim profile that complements the sleek design of your device.

Wireless Charging Compatible

Stay powered up without compromising protection. The Monarch Pro Titanium is optimized for wireless charging, allowing you to take full advantage of your iPhone 16e's capabilities without removing the case.

Tactile Button Covers

Experience responsive control with our precisely designed button covers. Each button is engineered to provide a satisfying click and maintain the tactile feedback you expect from your iPhone 16e, ensuring seamless operation of your device.
