

## UAG Pathfinder Case with Magnet for Samsung Galaxy S26+ - Olive Drab

Urban Armor Gear Samsung S26 Ultra Pathfinder Mobile Case with Magnet in Olive Drab is built for dependable everyday protection with a rugged, lightweight design. It combines strong drop defense, magnetic charging compatibility and a precise fit, making it a practical choice for users who want durability without unnecessary bulk.

- Built-in magnet module for magnetic charging and accessories
- Lightweight construction with reliable impact protection
- Reinforced corner and bumper protection against drops and shocks
- Precise fit with easy access to the S Pen
- Made with 50% post-consumer recycled materials

### **Built-in magnet module for magnetic charging and accessories**

The integrated magnet module keeps your Samsung Galaxy S26 Ultra securely aligned with compatible wireless chargers and magnetic accessories. It is designed to work with MagSafe-compatible accessories, most wireless chargers and also supports Samsung Pay, giving you more flexibility in daily use.

### **Lightweight construction with reliable impact protection**

The Pathfinder Series combines a featherlight armor shell with an impact-resistant frame and soft core, so your phone stays protected without feeling heavy in your hand or pocket. This balance of low weight and high durability makes it well suited for both everyday use and more demanding environments.

### **Reinforced corner and bumper protection against drops and shocks**

Tough TPU bumpers add extra protection where your phone needs it most, especially around the corners. The case is engineered to absorb and disperse impact from drops and knocks, while the raised screen surround helps protect the display when placed face down or during accidental falls.

### **Precise fit with easy access to the S Pen**

This case is made specifically for the Samsung Galaxy S26 Ultra, with accurate cutouts and a secure fit that preserves easy access to buttons, ports and the S Pen. It is designed to protect your device without getting in the way of the features you use every day.

### **Made with 50% post-consumer recycled materials**

The Pathfinder Series is made with 50% post-consumer recycled materials, offering a more responsible choice without compromising on performance. It delivers the same rugged protection Urban Armor Gear is known for while supporting a more sustainable product design.
