MagSafe Compatible

The UAG Pathfinder MagSafe case integrates seamlessly with Apple's MagSafe technology, ensuring your iPhone 16 Pro Max connects effortlessly to MagSafe chargers and accessories. This integration allows for a secure and efficient charging experience without the need to remove the case.

Rugged Protection

Engineered with a robust armor shell and impact-resistant core, the UAG Pathfinder case provides top-notch protection against drops, shocks, and everyday wear and tear. It meets military drop-test standards, so you can rely on it to keep your device safe in any situation.

Lightweight Design

Despite its rugged build, the Pathfinder case is remarkably lightweight and slim. This ensures that your iPhone 16 Pro Max remains easy to carry and handle, without adding unnecessary bulk to your device.

Enhanced Grip

The tactile grip of the UAG Pathfinder case enhances your hold on the iPhone 16 Pro Max, reducing the risk of accidental drops. The intricately designed exterior not only adds to the aesthetics but also improves functionality, giving you a more secure handling experience.

Wireless Charging Compatible

The design of the UAG Pathfinder case perfectly accommodates wireless charging technologies. You can effortlessly charge your iPhone 16 Pro Max wirelessly without the need to remove the case, offering convenience and ease of use.
