MagSafe Compatible

Experience seamless MagSafe charging with the UAG Pathfinder Magsafe for iPhone 16 Pro. This case incorporates a powerful built-in magnet module that securely locks your device, ensuring full compatibility with MagSafe wireless chargers and Apple Pay.

Featherlight and Durable

Crafted with precision, the UAG Pathfinder combines an ultra-lightweight armour shell with an impact-resistant soft core. This construction delivers reliable protection without adding extra bulk, making it ideal for daily use and adventurous outings.

Enhanced Impact Resistance

The reinforced TPU bumpers of the UAG Pathfinder effectively absorb and disperse impacts. Designed to protect your phone from drops and shocks, this case ensures your iPhone 16 Pro remains intact even in the harshest conditions.

Lanyard Anchor Points

The UAG Pathfinder includes integrated lanyard anchor points for added security and convenience. These anchor points provide a secure attachment for lanyards (not included), giving you peace of mind during all your adventures.

5.5 m (18 ft.) Drop Protection

Independently tested to withstand drops up to 18 feet (5.5 meters), the UAG Pathfinder offers superior drop protection. It passes MIL-SPEC 810G-516.6, guaranteeing your device remains safe and secure even in the most rugged environments.
