Premium Shock and Drop Protection

Experience peace of mind with the UAG Plasma's rugged armor shell and impact-resistant rubber bumpers. Designed to withstand the toughest days on the job, this case ensures your device remains safe and secure, even in the most demanding environments.

360-Degree Rotational Hand Strap

The 360-degree hand strap offers unparalleled freedom and security on the go. Whether you're presenting, traveling, or working in high-intensity situations, this feature allows for a secure grip in any orientation, providing you with versatility and control.

Built-in Kickstand and Pen Storage

Transform your tablet into a laptop-like workstation with the sturdy built-in kickstand, perfect for presentations or viewing content. The dedicated pen storage keeps your Surface Pen close and secure, ensuring it's always at hand when creativity strikes.

Military Drop-Test Standards

Meeting Military Drop Test Standards [MIL STD 810G 516.6], our cases protect your device with increased shock resistance. Tested rigorously, UAG's Plasma Series provides superior protection, having been dropped 26 times from 48 inches without any damage.

Tested for Medical Environments

Our Plasma cases have undergone rigorous testing to ensure protection from materials used in medical settings. Certified to withstand 168 hours of exposure to medical-grade cleaners, this case is perfect for healthcare professionals needing reliable device protection.
