UAG Plasma XTE MagSafe for iPhone 16 Plus - Black/Orange

Experience the ultimate protection with the UAG Plasma XTE MagSafe for iPhone 16 Plus. Designed with a striking Black/Orange colour combination, this case merges durability with style, ensuring your device stays safe while looking great.

- Military Grade Drop Protection
- MagSafe Compatibility
- Lightweight & Rugged Design
- Easy Access to Buttons and Ports
- Enhanced Grip for Secure Handling

Military Grade Drop Protection
The UAG Plasma XTE MagSafe case has been engineered to meet military drop-test standards, offering top-tier defence for your iPhone 16 Plus. This case ensures your phone remains protected from accidental drops and impacts, providing peace of mind wherever you go.

MagSafe Compatibility
Equipped with MagSafe compatibility, this case allows you to attach MagSafe accessories and wireless chargers effortlessly. It ensures a secure and convenient connection every time, making your charging experience smooth and hassle-free.

Lightweight & Rugged Design
Despite its rugged build, the UAG Plasma XTE MagSafe case is incredibly lightweight. It offers robust protection without adding bulk to your device, ensuring your iPhone 16 Plus remains sleek and easy to handle.

Easy Access to Buttons and Ports
The UAG Plasma XTE MagSafe case is meticulously designed to provide easy access to all buttons and ports. This ensures you can operate your iPhone 16 Plus effortlessly without removing the case, making your user experience as seamless as possible.

Enhanced Grip for Secure Handling
With its enhanced grip texture, the UAG Plasma XTE MagSafe case minimizes the risk of accidental drops. The case's design offers a secure and comfortable hold, allowing you to handle your iPhone 16 Plus with confidence.
