UAG Plyo case for Samsung S25+ - Ice (clear)

Urban Armor Gear presents the UAG Plyo for Samsung S25 + - Ice, a perfect blend of military-grade protection and crystal-clear design. This case offers reliable drop protection while showcasing your device's original color, combining style and security in one sleek package.

- Military-tested drop protection
- Crystal clear finish
- Lightweight construction
- Scratch-resistant skid pads
- Air-soft corners for impact cushioning

Military-Tested Drop Protection
The UAG Plyo case features a trusted armor shell and impact-resistant soft core, ensuring your Samsung S25+ is safeguarded against accidental drops and impacts. With an impressive 16 ft. (4.8 meters) drop protection, you can trust your device is secure in any situation.

Crystal Clear Finish
Enjoy the beauty of your Samsung S25+ while keeping it protected. The Plyo case's clear design allows your device's original color to shine through, creating a perfect harmony between protection and style.

Lightweight Construction
Despite its robust protection, the UAG Plyo maintains a slim profile. The combination of a TPU shock-absorbing frame and a PC backplate provides dependable protection without adding unnecessary bulk to your device.

Scratch-Resistant Skid Pads
Practical design elements include scratch-resistant skid pads, offering additional protection against everyday wear and tear. These pads help maintain the pristine look of your case and device over time.

Air-Soft Corners for Impact Cushioning
The Plyo case features specially designed air-soft corners that provide extra cushioning during impacts. This innovative feature helps disperse shock and protect your device's vulnerable areas.

Additional Features:
The UAG Plyo case is compatible with wireless charging, working seamlessly with most 3rd party wireless chargers. It also features an elevated perimeter for added screen protection and precise cutouts for full access to the S Pen and other device functions. The case is lanyard compatible (lanyard not included), offering versatile carrying options.
