Impact-resistant protection
The Urban Armor Gear Plyo case offers superior impact resistance, safeguarding your iPad Pro from accidental drops and bumps. The durable material absorbs shocks, providing peace of mind no matter where you take your device.

Lightweight and sleek design
Despite its robust protection, the Plyo case remains surprisingly lightweight and thin. This means your iPad stays easy to handle and transport without the bulk of traditional heavy-duty cases.

Easy access to all ports and buttons
The Wilma Plyo case is precisely engineered to fit your iPad Pro, ensuring that you have effortless access to all ports, buttons, and the camera. This design allows you to use your device seamlessly without having to remove the case.

Meets military-grade drop-test standards
Engineered to meet military-grade drop-test standards, this case has undergone rigorous testing to ensure it provides the maximum protection available. Rest assured that your iPad Pro is in safe hands with the Urban Armor Gear Plyo case.

Compatible with Apple Pencil
Designed with modern functionality in mind, the case is fully compatible with the Apple Pencil. You can comfortably attach, charge, and store your Apple Pencil without any interference from the case, ensuring your productivity is never hindered.
