UAG Plyo LT case for iPad 11" (11th Gen) - Ice/Black

The UAG Plyo LT case combines innovation and functionality in a sleek design, offering robust protection for your iPad. Engineered specifically for those who demand excellence, this case ensures both superior durability and style, making it the perfect companion for your device.

- Rugged Lightweight Construction
- Clear Identification
- Adjustable Kickstand
- Precise Fit and Pencil Storage
- Military Drop Protection

Rugged Lightweight Construction
Experience durability without compromise. The UAG Plyo LT case is crafted with UAG's signature featherlight armor shell coupled with an ultra-durable impact-resistant core. This design shields your iPad from shocks and drops while maintaining a lightweight profile. Enhanced air-soft corners further safeguard against dents and scratches, delivering peace of mind.

Clear Identification
Make your UAG Plyo LT case distinctively yours. The clear polycarbonate back panel is perfect for asset tagging and personal customization. Included are three interchangeable camera ring accents, allowing for quick and easy device identification.

Adjustable Kickstand
Enhance your iPad's versatility with ease. The integrated PU folio cover doubles as a multi-angle kickstand, permitting you to effortlessly position your tablet at the ideal viewing angle. Whether you're watching movies, taking video calls, or writing, this feature maximizes convenience.

Precise Fit and Pencil Storage
Enjoy seamless interaction with your device. The case features custom cutouts for unobstructed access to the touchscreen, charging port, camera, and speakers without removing it. A dedicated Apple Pencil holder ensures your Pencil remains secure, accessible, and supports pairing and charging functions. Additionally, a raised protective screen lip offers extra security for the touch screen and camera lens.

Military Drop Protection
Designed to meet military drop test standards (MIL STD 810G 516.6), the UAG Plyo LT case offers superior defense against harsh conditions, ensuring optimal protection for your device in any environment.
